

Drugs and alcohol at work

Condensed toolbox talk deck, version 1.0. Everyone present signs below; the completed sheet is the record that the policy was communicated. It records attendance, not a score.

Site or location: _____ Date: _____

Organisation: {organisation} Policy version referenced: _____

Presenter name: _____ Presenter signature: _____

Parked questions

Anything asked during the talk that was not answered on the day. Pass this sheet to your policy owner, who should resolve each question against the policy or through your organisation’s testing provider arrangements.

Presenter declaration. I confirm that I delivered this toolbox talk to the people listed above, that the slides and the delivery script were followed, and that any question I could not answer has been recorded above and passed to the policy owner.

Return the completed sheet to {policy owner}, who keeps it as the training record for the {organisation} drug and alcohol policy.

Data protection: this sheet holds names and signatures only — no test results and no health information. It is kept for the retention period set out in the policy and then disposed of securely. Prepared with NIVHA Laboratory Services.
